- **[New]** Promoting and safeguarding the welfare of all pupils at all times.

- **[New]** Ensuring the curriculum is inclusive and enables all pupils to achieve their full potential.
- **[New]** Acting as a positive role model for all pupils and staff members.

### 3. **[Updated]** Aims and structure of the PSHE curriculum

**[New]** The school will seek to use PSHE to build, where appropriate, on the statutory content outlined in curriculum guidance documents on:

- Drug education.
- Financial education.
- Sex and relationship education (SRE).
- The importance of physical activity and diet for a healthy lifestyle.

**[New]** The school recognises that it is now a statutory requirement to teach much of PSHE education via the statutory content – often referred to as RSHE – covering relationships education at key stages 1 and 2, relationships and sex education (RSE) at key stages 3 and 4, and health education from key stages 1 to 4.

**[New]** The PSHE subject leader will work closely with their colleagues in these curriculum areas and ensure that content is planned and taught in line with the following policies:

- Primary Relationships and Health Education Policy.

**[New]** The school's PSHE curriculum will also cover economic wellbeing, careers and enterprise education, and personal safety, including assessing and managing risk, as vital parts of the school's PSHE curriculum.

**[New]** PSHE complements several other curriculum subjects; therefore, where appropriate, the school will look for opportunities to make links between the subjects and integrate teaching.

#### **[Updated]** Curriculum organisation

**[New]** PSHE education will address both pupils' current experiences and preparation for their future. The programme of study will therefore provide a spiral curriculum to develop knowledge, skills and attributes, where prior learning is revisited, reinforced and extended year on year.

**[New]** Through effective organisation and delivery of PSHE, the school will ensure that:

- Core knowledge is sectioned into units of a manageable size.

- The required content is communicated to pupils clearly, in a carefully sequenced way, within a planned scheme of work.
- Teaching includes sufficient and well-chosen opportunities and contexts for pupils to embed new knowledge so that it can be used confidently in real-life situations.

**[New]** The PSHE programme will be delivered by appropriately trained members of staff through a variety of opportunities including:

- Circle time
- Use of external agencies and services
- School ethos
- Small group work
- Cross-curricular links
- Assemblies
- Enrichment days or weeks

The school will use direct teaching via timetabled lessons to teach PSHE. Pupils will be taught PSHE through a range of teaching and learning styles, including active techniques such as discussion and group work. Pupils' opinions and questions, unless inappropriate, will be responded to respectfully by teachers.

PSHE lessons will be tailored to the pupils being taught, with consideration of:

- Pupils' ability.
- Pupils' age.
- Pupils' current knowledge on and readiness to learn about the topic being covered.
- Pupils' cultural backgrounds.
- Pupils with EAL.
- Pupils with SEND or other needs.

The school will deliver relationships and health education as part of its timetabled PSHE programme, with due regard to the school's Primary Relationships and Health Education Policy.

#### **4. Programme of study**

**[New]** This programme of study sets out learning opportunities for key stages 1 based on three core themes:

1. Health and wellbeing
2. Relationships
3. Living in the wider world

**[New]** The programme of study sets out learning opportunities for each key stage and core theme, organized under subheadings, as set out below.

**[**

The PSHE programme of study will cover the following topics: 3 Nursery

In nursery PSHE is linked in with their topic planning using the Foundation Stage Curriculum.

Spontaneous events that may arise are seen as opportunities are used to teach some aspects

### **Reception**

PSHE is taught as part of the Foundation Stage curriculum and as an integral part of the topic work covered during the year. Our teaching in PSHE and citizenship matches the aim of developing a child's personal, emotional and social development as set out in the curriculum.

Our PSHE is taught mostly through 'Circle Time' and focus days and weeks. Children will take part in discussions and practical activities. We also support citizenship education in Reception classes when we teach a knowledge and understanding of the world within a child centred curriculum where children make decisions about how best to access their learning.

### **Key Stage One**

In KS1, PSHE covers 12 subjects planned for in Y1 and Y2. These are linked to topics as part of the creative curriculum and are planned on a two-year cycle to ensure coverage throughout

KS1.

- Specific topics covered are:
- Being healthy
- Difference and Diversity
- Exploring emotions
- Relationships
- Being responsible
- Bullying matters
- Drug education
- Being me
- Changes
- Growing up
- Being safe
- Money matters

Throughout school PSHE is mostly taught through Circle Time and lessons are active, sensory and engaging. We use children's real life experiences and encounters to enhance the teaching of PSHE

Every year we have a whole school friendship focus week where Bullying matters is taught in the context of bullying is unacceptable by focussing on friendship. In the Summer term we

have a whole school “Are you a Safety Hero?” week. Children are taught how to keep themselves safe including road safety, scooter safety, e safety and early life saving skills. They also learn that not all secrets are good using NSPCC guidelines (when required refer to the safeguarding/child protection policy). Children are encouraged to take part in a range of

## **5. Assessment**

The school will set the same high expectations of the quality of pupils’ work in PSHE as for other areas of the curriculum. A strong PSHE curriculum will be developed to build on the knowledge pupils have previously acquired, including from other subjects, with regular feedback on their progress.

Lessons will be planned to ensure pupils of differing abilities are suitably challenged. Teaching will be assessed to identify where pupils need extra support or intervention.

Pupils’ knowledge and understanding will be assessed through formative assessment methods such as tests, written assignments, discussion groups and quizzes in order to monitor progress.

## **6. [New] Equality and accessibility**

The school will comply with the relevant requirements of the Equality Act 2010 and will ensure the curriculum does not discriminate against pupils because of any of the protected characteristics.

The school will consider the backgrounds, gender, age range and needs of its pupils and determine whether it is necessary to put in place additional support for some pupils based on their protected characteristics.

The school will design the PSHE curriculum to be inclusive of all pupils. The school will be aware that some pupils are more vulnerable to exploitation, bullying and other issues due to their characteristics, e.g. having SEND or being LGBTQ+.

Teachers will understand that they may need to liaise with the SENCO and adapt their planning or work to appropriately deliver the curriculum to pupils with SEND.

Where there is a need to tailor content and teaching to meet the needs of pupils at different developmental stages, the school will ensure the teaching remains sensitive, age-appropriate and developmentally appropriate, and is delivered with reference to the law.

## **7. [Updated] Safeguarding**

The school recognises the role it plays in preventative education and will ensure that pupils are taught about how to keep themselves and others safe, including online.

**[New]** The school will implement a whole-school approach to PSHE that prepares pupils for life in modern Britain and creates a culture of zero tolerance for sexism, misogyny, misandry, homophobia, biphobia, transphobia, and sexual violence and harassment.

**[Updated]** Teaching will be tailored to the specific needs and vulnerabilities of individual pupils, including pupils who are victims of abuse and pupils with SEND.

**[New]** Confidentiality within the classroom will be an important component of PSHE, and teachers will be expected to respect the confidentiality of their pupils as far as is possible, in compliance with the school's Pupil Confidentiality Policy.

Due to the nature of the matters discussed in PSHE, there may be a higher likelihood for safeguarding concerns to arise or be disclosed by pupils. In line with the school's Child Protection and Safeguarding Policy, all staff will be aware of the indicators and risks of a range of safeguarding issues, including child-on-child abuse, and will follow the appropriate procedures should a safeguarding concern be disclosed.

PSHE teachers will encourage pupils to discuss the issues raised in the lesson with a member of staff if they wish to do so. Pupils will also be made aware of how to raise concerns or make reports about potential safeguarding issues, and how reports will be handled. This also includes concerns and reports about a friend or peer.

The DSL or deputy DSL will be involved in the development of safeguarding-related elements of the PSHE curriculum.

## **8. Monitoring and review**

This policy will be reviewed by the headteacher and PSHE leader every two years basis. Any changes to this policy will be communicated to all staff and other relevant parties.

The next scheduled review date for this policy is June 2026
